Certified Professional for Software Architecture® (CPSA)

Curriculum Functional Software Architecture [FUNAR] – Release Candidate -

2023.1-RC1-EN-20230327

The international Software Architecture Qualification Board (iSAQB) defines curricula on several levels for software architects.

The **Release Candidates** of the **Functional Software Architecture** curriculum are currently maintained and published in English (EN)only. Maintainers of this curriculum and voluntary reviewers collaborate on GitHub to improve the curriculum.
